The preliminary bout of six rounds Jeony Gibbins of Hartford scored willimantic fans falled to put into appearance at this bout and the running of bouts in the city will be given up by the promoters.

Fallts and Ames weighed in at about 142 pounds and gave a fine exhibition of boxing to the few fans attending. Palits was in fine shape and gave Ames an awful mauling in the last two rounds of their ten round bout. Ames was right there to take his punishment and gave Fallts several clouts that shook up the champ. One clout in the seventh had the knees of both men sagging but Palits continued to lead the fighting until the bell ended the bout after the centific round. It was Palits fight by a shale will be allowed to the mat, laying there for a few second melther man forcing the fighting to any degree.

Larry pulled one of the rawas stunts seen in this city when he took Mack's nunch on his shoulder and nose-dived to the mat, laying there for a few seconds and then sitting in his chair and quitting. This was in the second round with tull a minute to go. Even if this city had bouts coming O'Leary wouldn't be given a chance to appear here again. If he pulls that kind of stuff in other cities it is to be wondered at that he is still in the fighting game.
